

**Hamilton Township Master Plan
Action Program**

Category: Public Facilities and Services			
Goal #4: Provide public facilities and services in the most efficient, effective, and economical manner possible.			
Objectives	Actions	Participants	Schedule
1. Direct future development into designated areas where public facilities and services can be efficiently and economically provided in the future, should the need and opportunities arise.	a. Use the Master Plan to designate areas suitable for more intensive development.	Zoning Board, Township Board	Master Plan to be completed in 1999
2. Ensure that future development is consistent with the land access and transportation needs of the Township along its major transportation corridors.	a. Include access & transportation considerations in the land use planning process.	Zoning Board, Township Board	Master Plan to be completed in 1999; ongoing efforts thereafter.
3. Investigate the preparation and adoption of appropriate standards for all future township roads, including private roads.	a. Include private road standards in the updated Zoning Ordinance.	Zoning Board, Township Board, Zoning Administrator	New Zoning Ordinance to be completed in 1999.
