**Public Comments:** none

**New Business:** Discussed having a Harvest Party and will schedule that soon. Barkell is to contact the State of Michigan and gather information about Gaming Licenses for 50/50 raffles and other fund raising methods.

**Old Business:** PC will go forward with an Ordinance for enforcement of illegal burning. Mark advises that the Tree Grant is not really a tree grant. We can pick up left over trees from the Soil Conservation tree sale at a lower cost. The Community Picnic was a great success and a big thank you to Members First Credit Union for a donation of a door prize and to Muskegon Development for the donation of all food and a large cash donation to the park fund. Also a thank you to Denise Goodenow, it would never have gotten done without her. Denise will be submitting a request for proposal to LandPlan and Rowe for estimated costs to write a Master Park Plan. The survey taken at the picnic showed most interest in adult type activities.

Zoning Administrators report given at the Township Board Meeting on 9-1-2016.
