

# EXISTING LAND USE

## Hamilton Township

MASTER PLAN

July 19, 2011

### LEGEND

- Section Line
- Water Body
- Municipal Boundary
- Waterway
- Parcel Boundary

### Agricultural

Areas comprised principally by farm operations approaching 40 acres or more of crop, orchard, or pasture land, and may include limited woodlands, wetlands, and residences.

### Suburban/Urban Residential

Areas comprised principally of platted subdivisions and other residential settlement areas of a similar neighborhood character.

### Commercial

Areas comprised principally of businesses such as sales, services, and offices, including vacant storefronts.

### Industrial

Areas comprised principally of industrial activities, such as utility substations and lumber mill.

### Dipersed Residential/Open Space

Areas comprised principally of wetlands, woodlands, and similar natural open space areas, in addition to scattered residences on parcels typically of five acres or more.

### Public/Semi-Public

Public parks, religious institutions, cemeteries, township hall, and similar uses.
