PUBLIC COMMENTS: Several residents on Springwood Lake Road concerned about road conditions and brining. Wright explained brining is not scheduled due to budget issues and reminded residents about millage proposal to maintain roads. Hamilton Township is the only township without a road millage. **corrected - Garfield twp. does not have a road millage.* Residents on private roads also complained. Duby explained the process for Private Roads and encouraged those who were unhappy to attend a meeting scheduled at the Town Hall on July 9, for the Private Road Committee. Karl Hauser announced his candidacy for Mid Michigan College Board of Trustees. Hauser took questions concerning the college.

ASSESSOR'S REPORT: Assessor, **Tina Wright** reported approximately 400 letters to be mailed next week, to comply with 20% annual on-site property inspection. Inspection is outside only. All structures are measured and count toward value. Expect 5% increase in taxable value, next year. Wright took questions from residents, concerning what effects property value.
